SUMMARY

Dynamic and detail-oriented Merchandizer with over one year of specialized experience in the sportswear and textile export industry. Proven track record in end-to-end order management, cross-functional team coordination, and supply chain optimization. Combines a Bachelor of Business Administration (BBA) with a strong foundation in manual accounting and client relationship management to drive operational efficiency and business growth.

WORK EXPERIENCE

Dynamic Sportswear | Merchandizer Dec 2024 - Present

- Manage the end-to-end order processing lifecycle, ensuring seamless execution from Purchase Order (PO) creation to final delivery.
- Coordinate directly with procurement and planning teams to align material availability with production schedules.
- Oversee production sample management, ensuring all prototypes meet client quality standards before mass manufacturing.
- Monitor shipment timelines and logistics to ensure 100% on-time delivery for international accounts.

Adnan Button Shop (Shah Alam Market) | Operations & Sales Lead June 2024 - Dec 2024

- Managed manual accounting operations, including reconciliation of daily entries with yearly ledgers, sales/purchase tallying, and handling credit transactions with payment collection.
- Led market-level marketing activities, presenting new button designs, securing orders, and maintaining strong client relationships across Shah Alam Market.

Nagina Group | Supply Chain Intern June 2023 - Aug 2023

- Facilitated the handling of critical textile documentation, including Yarn Demand Sheets, Sales Contracts, and Purchase Orders.
- Streamlined communication between suppliers and the warehouse to maintain accurate dispatch records.
- Developed a deep understanding of textile industry operations through hands-on transaction management.
